

NOTTINGHAM RSPB LOCAL GROUP CONSTITUTION

Aims and objectives

To actively support the work of the RSPB in the local community and to involve RSPB members and the wider public, in the Society's conservation, public affairs, education, fundraising and other activities. The local group is acting as a representative of the RSPB (Registered Charity Number 207076) and is not a charitable body in its own right.

The Nottingham Group will plan activities to achieve some or all of the following:

- Raise awareness of the RSPB and its work, particularly among non-members
- Run Indoor and outdoor activities for local RSPB members and the Public
- Encourage the interest of young people by supporting RSPB Wildlife Explorers and RSPB Phoenix Groups and encouraging family participation.
- Recruit new RSPB and Wildlife Explorer Members and encourage 'name gathering'.
- Raise funds for the Society and for any approved activities undertaken by the Group
- Carry out practical conservation work, where possible on RSPB Reserves.

Membership

Membership of the Nottingham Local Group is open to all who qualify upon application and payment of an annual subscription via the membership secretary. All those wishing to become members of the Group must be members of the RSPB, although attendance at all meetings and field trips are open to members of the public. The subscription is for a household. One member of a household will be considered to be a full member with voting rights and entitlement to a quarterly newsletter and annual programme of events, others within the household will be associate members entitled to participate in all activities of the group.

The Committee, on discussion with their Regional Office, will be entitled to refuse membership to an applicant, or withdraw membership from anyone who in the view of the Committee acts in a manner inconsistent with the aims of the RSPB. Others not eligible to attend Group meetings are: those denied Membership of the Society at the RSPB AGM or have been found guilty of offence connected with the Wildlife and Countryside Act and those who cause a public affray or who are drunk and disorderly.

Members will receive a copy of the programme upon joining as proof of payment and may inspect the constitution and minutes relating to Group business upon application to the Committee.

Members who have significantly contributed to the Group for 25 years can be offered honorary membership at the discretion of the Committee. Honorary membership is free.

7. A group account (separate from the Charitable Account) will be used in support of non-charitable activities eg weekend holidays. Monies raised over and above the costs of these activities will be donated to the charitable account.

Meetings

Meetings will normally be held on the first Wednesday of each month from September to May. A programme of presentations from invited speakers upon topics likely to be of interest to members will be available. Meetings are open to both members and non-members, upon payment of an entry fee. During the summer months and on other occasions the Group will organise local field trips in lieu of meetings, these will not include transport to the venue.

Field Trips

These are usually arranged on a monthly basis to enable individuals to visit more distant habitats supporting a variety of bird and other wildlife to advance members knowledge and interest.

Charges are made to meet the cost of the trip and must be paid in full at the time of booking; these charges are not refundable. Booking forms are provided with each edition of the newsletter and should be returned to the outings organiser.

Weekend field trips are normally organised yearly.

Places on the trips may be limited and places are allocated on a first come first served basis.

Young people under 16 years are very welcome and will be charged at a reduced rate. They must be accompanied by a responsible adult. The trips are not suitable for children under the age of 7 years.

The Outing Organiser will identify known risks and warn members of these prior to arrival at a site, however members attending field trips do so at their own risk.

Annual General Meeting

The annual general meeting is normally held in May each year. Attendance by 15 members (other than the committee) provides a quorum

The business of the meeting is to review the activities of the previous year through reports from the officers. Election of officers is undertaken at this meeting.

The membership is invited to submit agenda items to the secretary at least a month prior to the meeting. Minutes of the previous years meeting and an invitation for members to submit future items will be included in the January newsletter.

A final Agenda will be available prior to AGM on the Group website and at the meeting.

A Special General Meeting may be called at any time by the Committee or at the written request of 20 members delivered to the Leader stating the business for which the meeting is called. In such an event 14 days notice will be given to the members.
